We also offer state-of-the-art therapy services through our Premier Therapy Associates, one of America’s most successful providers of therapeutic services.

Our rehab team will work with you to design a personalized program that will help you regain your strength and mobility quickly. You’ll be amazed at the progress you’ll make with this customized approach. In fact, over 95% of our rehab patients go home in under three weeks – many in 10 days or less. Our therapy services are available seven days a week, so there’s no need to slow down your recovery.

Our “personalized rehab program” is patient-centered and service –oriented. This exclusive, specialized program offers the very finest in rehab services for a wide range of conditions, including: orthopedic, joint replacement, cardiovascular stroke and post-surgical. Our goal is to promote independent living by improving your mobility and lifestyle capabilities to the appropriate optimal level.

Our rehab program has a philosophy based on actively seeking to improve the lives of our patients. This is our credo:

- Respect the dignity and privacy of patients, families and allied professionals
- Enter into a dialogue between staff and patients to agree on goals of the rehab program
- Communicate regularly with physicians and professional staff
- Convey information and listen to the concerns of patients
- Ensure that our patients recover in comfort, with menu and recreational choices that address their preferences
- Ask for feedback from our clients and address their wishes, issues and concerns promptly
